Technical Specifications for
WebMD Mobile App:
WebMD Mobile App Ipad

Last Updated March 26, 2013

I. Materials Submission and Support

All creative assets must be delivered **10 business days before launch.**

Email is preferred for submission.

Please send ad materials and correspondence to:

> **App Media**
> **appmedia@webmd.net**

To help us locate your account, please put the following in the subject line of every email:
- **client name**
- **brand or product name**
- **name of WebMD sales contact**
- **specific request** (i.e. "creative replacement")
- **launch date**

II. General Policies

A. Lead Times and Deployment

1. WebMD requires the following lead times in order to test and deploy mobile ads:

> **- Standard mobile app: 5 business days from creative receipt long as specs are met**

2. Creatives will only be deployed for signed contracts.

3. Creatives will only be deployed to the level of targeting details stated on contract.

4. WebMD reserves the right to limit the number of creatives deployed, and number of changes to creative per contract.

5. Geo-targeting of ads must be managed by WebMD's ad system.

B. Ad Content and Appearance

1. Creative must have a distinct border to clearly identify where the page ends and advertisement begins.
