## **WebMD and Walgreens Introduce Digital Health Improvement Programs Through Companies' Partnership to Improve Health and Wellness**

### **Virtual Wellness Coaching and Prescription Refill and Transfer Services and Balance® Rewards Integration Now Available**

NEW YORK and DEERFIELD, Ill., Jan. 7, 2015 /PRNewswire/ -- WebMD Health Corp. (NASDAQ: WBMD) and Walgreens today announced the availability of *Your Digital Health Advisor*, a virtual wellness-coaching program powered by WebMD, on [Walgreens.com](http://Walgreens.com), as well as the integration of Walgreens Balance® Rewards and prescription services into WebMD's flagship mobile app, to help and incentivize consumers to make healthier choices at home, work and on-the-go.

"Today marks the first significant milestone in WebMD's collaboration with Walgreens to expand access to information and services that can help millions of consumers achieve their health and wellness goals," said Dr. Steven Zatz, President, WebMD.

Adam Pellegrini, Vice President of Digital Health at Walgreens, added, "By integrating WebMD's wellness coaching services and trusted content into Walgreens online and in-store experience, together we are creating an experience for consumers that will empower and motivate them to make healthier decisions."

#### **WebMD's Virtual Wellness Coaching on Walgreens**

Consumers can visit [Walgreens.com](http://Walgreens.com) to enroll in *Your Digital Health Advisor*, the virtual wellness-coaching program powered by WebMD to create customized goals and action plans that support lasting lifestyle changes. Participants can engage in interactive programs that help with smoking cessation, weight management, nutrition, exercise and emotional health. Walgreens Pharmacy Chat health experts are also available to provide live coaching and help encourage positive lifestyle choices and healthy behaviors. *Your Digital Health Advisor* participants will earn Walgreens Balance Rewards points for making progress in achieving their goals.

#### **Tracking & Rewarding Healthy Behaviors on WebMD Mobile App**

WebMD has also integrated Walgreens Balance Rewards into WebMD's Healthy Target mobile health improvement program. Now, in addition to tracking their progress, Healthy Target users will be able to earn Balance Rewards points as an added incentive for engaging in healthy behaviors. Available within WebMD's flagship mobile app for iPhone, Healthy Target allows individuals looking to develop sustainable, health-conscious habits to upload biometric device data from activity trackers, wireless scales and glucometers and to receive tailored, physician-reviewed, contextually relevant content and motivational tips. The companies are also working to integrate Walgreens Activity Tracker with WebMD's Healthy Target to provide users with powerful new ways to capture, visualize and understand their health information.

#### **Walgreens Refill & Transfer Prescriptions Service on WebMD Mobile App**

Consumers can now access Walgreens *Refill & Transfer Prescriptions* service from within WebMD's flagship mobile app for iPhone. Conveniently located within WebMD's *Health Tools*, consumers can simply scan the barcode on their prescription or manually enter the information to refill their prescription at their local Walgreens pharmacy. This service will also be introduced within WebMD's desktop offering later this year.
